

DL17UBOOT Award

QSOs that count for the award must fulfill the following conditions:

1. Only QSOs with DL17UBOOT are valid.
2. QSOs from April 15th 2023 until May 31st 2023.
3. Modes are aggregated. For example FM and SSB count as Phone and RTTY and FT8 count as Digital. Based on this we have the mainmodes PHONE, DIGITAL and CW. Working DL17UBOOT on the same band in the same mainmode is considered as a dupe QSO and does not count for the award. Any other combination counts as a valid QSO.
