

ISLANDS OF THE WORLD

< Europe >

Diploma

This award is finalized to acknowledge that you have established contact and received QSL card from radio amateurs operating from European islands (EU-xxx) identified as such in the current IOTA official list. Only different IOTA references are valid for the award.

Portable operations are accepted (ex.: EA6/DL1AA, TA0/F2AA, IM0/ISOAA ...)

The award is issued in 2 classes:

a) EUROPEAN STATIONS

- . *Basic* - at least 50 confirmed contacts with different IOTA EU-xxx ref.
- . *First Class* - at least 100 confirmed contacts with different IOTA EU-xxx ref.

b) DX STATIONS (AF-AN-AS-NA-OC-SA)

- . *Basic* - at least 40 confirmed contacts with different IOTA EU-xxx ref.
- . *First Class* - at least 80 confirmed contacts with different IOTA EU-xxx ref.

For your info, IOTA EU listing comprises nearly 200 different references.

<<< >>>

You may download a ready-made application form in Excel [here](#).

Endorsement is available for band and mode. QSO validity is since 1.1.1985.

QSL cards must have been received by the applicant. Confirmation via LOTW, eQsl and other electronic means is accepted.

The award is free, and sent out as a PDF file (JPG on request).

Send your application via email to the award manager IK3GER, Paolo, at corsetti.paolo@libero.it as shown in the example below.

EXAMPLE OF APPLICATION

Please in order of IOTA reference !

	IOTA ref	Call	Date	MHz	Mode
1	EU-001	SV5AA	01/10/85	10	SSB
2	EU-014	TK5JJ	01/10/94	3.5	JT65
3	EU-022	JX0A	21/06/12	14	CW
4	EU-034	ES0BN	31/07/15	7	FT8
5	EU-179	UR500/P	01/10/11	18	SSB
..
